

MSTD LABORATORY SCIENTIFIC DAYS JSL 25

**December
06–07, 2025**

FACULTY OF
MATHEMATICS

The Stochastic Modeling Data
Processing research laboratory
(MSTD)

Theme

Promoting the exchange of knowledge
and expertise between young and senior
researchers.

Scope of Topics

- Actuarial Science
- Nonparametric Estimation
- Stochastic Modeling and Applications
- Time Series Analysis and Applications
- AI and Data-Driven Optimization & Scheduling

Important Dates

Abstract
Submission
Deadline

**November 1,
November 7,
2025**

Notification of
Acceptance

**November 14,
November 20,
2025**

Full Paper
Submission
Deadline

**November 20,
November 26,
2025**

Conference
Dates

**December 06–07,
2025**

Conference Fee

No participation fees. Lunches and coffee breaks are covered by the laboratory.

Free
